PROFILE OF THE UNIVERSITY

Tamil Nadu Dr. J. Jayalalithaa Fisheries University (TNJFU) is a State-funded University offering professional fisheries education, research and extension programmes to enhance fish production and utilization by following the State Agricultural University (SAU) pattern and syllabi.

VISION

“Harnessing the Science of Fisheries for Food, Nutrition and Livelihood”

MISSION

Excelling in teaching, research, and extension initiatives in fisheries sciences to produce professionally acclaimed and socially responsible graduates achieving nutritional security and sustainable development of the fisheries sector.

OBJECTIVES

- To impart quality education in different branches of Fisheries Sciences as the University may determine
- To conduct organized research in the frontier area to develop cutting-edge technologies in Fisheries Sciences.
- To provide extension services like training, consultancy, and project formulation to fish farmers, fisher folk, unemployed youth and entrepreneurs in Fisheries Sciences.
- To facilitate comprehensive development of Fisheries Sciences for increased contribution to the state's economy and set benchmark standards through appropriate interventions in fisheries teaching, research and extensions.

EDUCATION

Tamil Nadu Dr. J.Jayalalithaa Fisheries University offers the following professional and paraprofessional degree programmes.

Under Graduate programmes

- ✓ **Professional courses**
- ✓ **Government Funded courses**
 - B.F.Sc.(Bachelor of Fisheries Science)
 - B.Tech.(Fisheries Engineering)
- ✓ **Self-Finance courses**
 - B.Tech.(Biotechnology)
 - B.Tech.(Food Technology)
 - B.B.A.(Fisheries Enterprises Management)
- ✓ **Para professional courses**
 - B.Voc.(Industrial Fish Processing Technology)
 - B.Voc.(Industrial Aquaculture)
 - B.Voc.(Industrial Fishing Technology)

Post Graduate programmes

- Master of Fisheries Science (M.F.Sc.) in 13 disciplines
- Master of Technology (M.Tech.) in two disciplines
- M.B.A.(Fisheries Enterprises Management)
- Ph.D. in Fisheries Science in 13 disciplines
- Ph.D.in Life Science

The university is providing financial support to the students in the form of scholarships and fellowships for undergraduate and postgraduate degree programmes. Students' amenities such as gymnasiums, indoor and outdoor game facilities, hostels, and many other student-friendly facilities such as computers, internet, and e-learning facilities and student placement cells are available in university colleges to promote students' interests

In acquiring knowledge on various aspects of fisheries science as well as in finding the right placement for them.

ABOUT COLLEGE

The Institute of Fisheries Technology, Nagapattinam, was established in 2012 and later upgraded as the College of Fisheries Engineering (CoFE) in 2015 under the Tamil Nadu Dr. J. Jayalalithaa Fisheries University (TNJFU) to promote education, research, and extension in the field of Fisheries Engineering for the sustainable development of the fisheries sector. CoFE holds the distinction of being the first of its kind in India, established with the primary objective of developing skilled engineering professionals to cater to the technological needs of the fisheries and aquaculture sectors.

The college comprises seven academic departments, namely:

1. Aquacultural Engineering
2. Basic Engineering
3. Basic Sciences
4. Fisheries Nautical and Marine Engineering
5. Fisheries Science
6. Fish Process Engineering
7. Energy and Environmental Engineering

CoFE offers two under graduate and two post graduate degree programmes:

1. B.Tech.(Fisheries Engineering)
2. B.Tech.(Energy and Environmental Engineering)
3. M.Tech.(Aquacultural Engineering)
4. M.Tech.(Fish Process Engineering)

The B.Tech.(Fisheries Engineering) programme has been approved by AICTE since 2019.

The College of Fisheries Engineering continues to play a pioneering role in advancing fisheries technology through innovative research, state of the art infrastructure, and committed academic initiatives to meet the emerging challenges of the fisheries and aquaculture industries.

ABOUT PROGRAMME

The Bachelor of Fisheries Engineering (B.Tech.Fisheries Engineering) is a professional degree programme and the first of its kind in India, offered exclusively at the College of Fisheries Engineering (CoFE), Nagapattinam. This unique programme equips students with the technical knowledge and engineering skills required to address challenges in the fisheries and aquaculture sectors. The curriculum integrates both engineering and fisheries sciences, enabling graduates to become competent professionals capable of contributing to the modernization and sustainable development of the fisheries industry.

Students gain expertise in various specialized domains, including:

1. Aquacultural Engineering
2. Fish Process Engineering
3. Fisheries Nautical and Marine Engineering
4. Basic Engineering disciplines such as Civil, Mechanical, Electrical & Electronics and Computer Science Engineering
5. Basic Science disciplines such as Physics, Chemistry and Mathematics

Graduates of this programme emerge as technically skilled engineers capable of designing, developing, and managing engineering systems and solutions that support and complement fisheries and aquaculture industries across India and beyond.

SCHOLARSHIPS / FELLOWSHIPS

Scholarships such as SC / SCA / ST Welfare and Backward Class Scholarships, Scholarships given by Government of India, Government of Tamil Nadu and Fellowship schemes viz., Puthumaipenn, Tamil Pudhalvan Schemes are available for students admitted in CoFE.

Post Matric Scholarship

a) SC/SCA/ST students

In the G.O. (Ms.) No. 6 Adi Dravidar and Tribal Welfare (AD3) Department dated 09.01.2012; G.O. (Ms.) No. 92 Adi Dravidar and Tribal Welfare (AD3), Department dated 11.09.2012; and G.O. (Ms.) No. 16 Adi Dravidar and Tribal Welfare, (AD3) Department dated 24.02.2014, the Government has ordered to grant Post Matric Scholarship to SC / SCA / ST candidates and SC / SCA converted Christians, whose parental annual income is less than Rs. 2,50,000/- from all the sources shall only be eligible. The eligible candidates have to submit income certificate obtained from the appropriate authorities.

b) BC/MBC/Minorities students

In the G.O. (Ms.) No. 68 BC, MBC & Minorities Welfare Department dated 18.11.2021, the Government has ordered to grant Post Matric Scholarship to BC / MBC / Minority candidates, whose parental annual income is less than Rs. 2,50,000/- from all the sources shall only be eligible. The eligible candidates have to submit income certificate obtained from the appropriate authorities.

ACADEMIC REGULATIONS & RULES

❖ Duration of the Course

- The duration of the B.Tech.(Fisheries Engineering) degree course is four academic years.
- Each academic year shall consist of two semesters
- An academic semester shall consist of 105 working days, excluding final theory examination days.

❖ System of Education

- The pattern of instruction and evaluation is semester system.
- Each course has specific course number, title and credit hours.
- Each course is a unit of instruction to be covered in a semester. Each credit hour represents one hour lecture or two hours laboratory or field practical demonstration each week in a semester.

❖ Advisory System

- The students on their admission are assigned to teachers, who are designated as Co-ordinators and Counsellors by the concerned Dean of the college.
- The Co-ordinator will maintain a record containing particulars of the previous history of the student, courses registered, examinations appeared and grades obtained in each course.
- The Counsellor will establish and foster close personal relationship with the students during their entire stay in the College, by having periodical meetings at least once in a month either with the entire group of students or with each individual student to know their problems, review their study programme and take such remedial actions as may be necessary in consultation with the teachers, co-ordinator and the Dean.

❖ Registration for the First Time

- The registration and orientation program held for duration of 1–3days.
- Student's shall register for the first semester courses in person within 5 working days.
- Failure to register for the first semester courses before the prescribed date shall result in for cancellation of admission.

❖ Late Registration of Courses

- Each eligible candidate including newly admitted students shall register the requisite courses in the beginning of each semester within 13 working days, the first five working days without fine and the remaining eight working days with fine of Rs.50/- (Rs. Fifty only) per working day.

- The attendance will however be reckoned from the day the instruction commences as per the academic calendar (i.e. second day of registration week).

❖ **Subsequent registration**

- At the beginning of each semester there will be registration for various courses listed under a semester.
- The student in each batch shall have to register for the set of courses offered in semester for the batch and fill in the registration cards.
- The coordinator in turn will countersign and send them to the Dean. The year coordinators will register the courses of the particular semester in the EMS portal.

❖ **Duration and system of education**

The duration of B.Tech. (Fisheries Engineering) degree programme shall be normally four academic years including six semesters of course work. Seventh semester deals with Student READY (Rural Entrepreneurship Awareness Development Yojana) programme comprises of Student READY Experiential Module. This will include the skill development programme, Experiential Learning programme and study tour. Eighth semester includes In-plant attachment, Rural Fisheries Work Experience programme. The pattern of instruction and education in the University shall be "Semester course credit system".

- ✚ **"Academic year"** is a period during which a cycle of study is completed. It shall ordinarily be from June to April (except in the year of admission) and shall consist of two semesters covering 210 days of instruction excluding the final theory examination days
- ✚ **"Students' coordinator"** means a teacher of the faculty who has been nominated by the Dean of the college as coordinator to a particular batch of students to coordinate the academic programme and guide them in all academic matters until the whole batch of students completes the degree programme.
- ✚ **"Students' counselor"** means a teacher of the faculty who has been nominated by the Dean of the college as counselor to a particular group of students to counsel/advise them in all academic matters and personal matters affecting students' academic performance.
- ✚ **"Course"** is a unit of instruction or a segment of subject matter to be covered in a semester. It has a specific number, title and credit load.
- ✚ **"Credit hour"** means the weekly unit of work. A lecture class of 50 minutes per week shall be counted as one credit whereas a practical class of two hours duration per week shall count as one credit hour

- ✚ **"Grade point average"** is the quotient of the total credit points obtained by a student both in theory and practical of various papers/subjects at the end of each academic year divided by the total credit hours taken by the student in that year. The grading is done on a ten-point (10.00) scale;
- ✚ **"Grade point of a subject or paper"** is a value obtained by dividing the total marks obtained in a paper (A) by maximum marks allotted to the paper (B) and multiplied by 10 ($GP = A/B \times 10$). It shall be calculated separately for theory and practical;
- ✚ **Overall Grade Point Average (OGPA):** It is the quotient of cumulative credit hours obtained by the student in all the courses from the beginning of the first semester of the degree course divided by the total credit hours of all the courses the student had completed up to the end of a specified semester from the first semester. It determines the overall performance of a student in all courses taken during a period covering more than a semester.
- ✚ **Instructional Holidays:** Instructional holidays shall be declared by the faculty Dean for events in the students' activities and the semester working days shall be extended accordingly. Students who have registered for research credits shall be exempted from instructional holidays.
- ✚ **Attendance Requirements:**
 - Every student shall ordinarily attend all classes in a course. Attendance in respect of the students for the first semester shall be reckoned from the first day of the commencement of semester. However, only for the students who are registering late due to late admission, attendance shall be reckoned from the date of their registration and this is only for the first semester of the first year UG programme.
 - A minimum prescribed attendance in a course shall be 80%. The attendance shall be reckoned separately for theory and practical and a separate minimum under each category is required.
 - A student who fails to put in, the minimum attendance in theory or practical shall not be permitted to appear for the final external theory examination and the registration for that course shall be treated as cancelled. The students shall have to re-register such courses and complete, when the course is offered in the subsequent semester.
 - Dean may depute students on the recommendation of the Vice-President of Student Association/Sports Secretary, to represent the College/University at various functions such as NSS, Sports, Medical aid, etc. and the mandatory minimum requirement of attendance under these circumstances is 70%.

- A student who fails to put in a minimum requirement of 80% attendance because of sickness, the mandatory minimum may be reduced to 70% on the basis of medical certificate for hospitalization obtained from Government hospital or a private nursing home. Under extraordinary circumstances, the Dean shall be empowered to give exemption on medical reasons, only on the recommendations of the Students' Coordinator.
- Students absenting from classes by prior arrangements on official University business shall be given due consideration in completing attendance requirements and may be permitted by the Dean concerned to condone the deficiency.
- In ordinary circumstances, no student is officially deputed for university purposes, if the student fails to secure 70% attendance (exception on university business/ deputation, it is 60% attendance)
- Attendance register is maintained by the course teacher and the certificate to this effect is sent to the University by the Dean in the prescribed proforma at the end of the semester, to issue hall ticket for the final theory examination by the Controller of Examinations.
- It is mandatory that students receiving scholarship have to put in minimum attendance, as specified by the funding agencies but not below 80% attendance.
- Shortage of attendance particulars, if less than 70% shall be sent to the Controller of Examinations prior to the issue of hall tickets.
- Students admitted in the first year, if fails to register the course of the first semester or failed to put in 80% attendance in all course, the admission stands cancelled, if prior permission is not obtained from the Faculty Dean
- Students, if leaves the course after the completion of the first semester for reasons beyond control, the student shall be eligible for re-admission within one year to the appropriate semester on payment of re-admission fee of Rs. 500/- under intimation to the university.
- If the period of break exceeds one year but does not exceed two years, student shall make representation to the university and the decision of the university is final.
- Student who leaves the college taking Transfer Certificate shall not be eligible for re-admission.

✚ **How to calculate attendance for a course:**

The number of classes conducted shall be as calculated by the course teacher from the first working day to the last instructional day, excluding the final internal practical. For theory class, the number of theory classes conducted by the course teacher from the first working day as per the time table to the last theory class conducted by the course teacher shall be taken. For practical class, the number of practical classes conducted by the course teacher from the first working day as per the time table to the final practical examination day shall be taken for calculation.

✚ **Examinations:** Examinations are conducted for a total of 150 marks (Internal examinations (Theory - 20 marks and Practical - 50 marks) – 70 marks and External examination – 80 marks).

✚ **Internal Examinations:** The internal examination has internal theory and internal practical examinations. The evaluation shall be done by the course Teacher.

✚ **Internal theory examination:** The internal theory examination shall be conducted on completion of 70th working day by the course teacher. It shall be conducted only in theory for 80 marks and later shall be converted to 20 marks.

✚ **Internal practical examination:** The internal practical examination shall be conducted by the course teacher on the final practical class of the respective course in a semester. It shall be conducted for 50 marks. Out of 50 marks, 10 marks shall be allotted for practical records, 35 marks for doing laboratory practical, and another 5 marks for viva-voice.

✚ **Supplementary Examination:** There shall be supplementary examination for internal theory examinations for students absenting themselves for a specified genuine reason with the recommendation of the Students' Coordinator. However, the Faculty Dean has the discretionary power either to permit or reject the application after critically assessing the genuineness of the reason(s) for absence. The students who absent themselves for internal theory examinations may be allowed to write supplementary examination before final practical examination on payment of a fine of Rs.500/- (Rupees Five hundred only) per examination.

✚ **Mass absence of students from a class:** Absence of students 'enmasse' from a class shall not be condoned. They shall be marked as "**absent**" and attendance calculated accordingly.

✚ **Mass absence of students from a university examination:** Absence of students 'enmasse' from a University examination which includes internal theory, internal practical and final external theory examination shall not be condoned.

They shall be awarded "FAIL" leading to eligible for supplementary/ arrear examination / re-registration of course provided they are eligible otherwise.

 External Examination:

- Students shall have to submit duly fill-in the prescribed application along with the payment of the examination fees for the conduct of final external theory examination, and attach the fee receipt for the issue of hall ticket
- Students shall have to produce a "No due certificate" at the time of distribution of hall tickets. Hostellers have to produce "Mess dues clearance certificate" obtained from the hostel administration.

 **Final external theory examination:** The final external theory examination for 80 marks is conducted by the University at the end of the semester for two hours duration. The evaluation is done by the External Examiner.

 **Courses with Theory and Practical:** Out of 150 marks, the internal theory and internal practical shall be conducted for 20 marks and 50 marks, respectively. The final external theory examination shall be conducted for 80 marks. The marks obtained for 150 (Theory 100 + Practical 50) shall be converted to 100 marks for calculation of the grade point.

 **Course with Theory alone:** Out of 100 marks, 20 marks shall be allotted for internal theory examination, and 80 marks for final external theory examination.

 **Courses with Practical alone:** The internal practical examination shall be conducted for 50 marks and converted to 100 marks for the calculation of the grade point.

 **Unfair means during examination:** The Dean of the College shall be responsible for dealing with all cases of "Use of unfair means" in the various examinations. The phrase, "Use of unfair means" includes possession of any information or material by the student, talking to other students, copying from other students or from printed or written material etc. The Invigilator concerned, on finding the "Use of unfair means" by any student may take the answer scripts of the students and the material evidence, if any, and seek the explanation from the student. The student may also be sent out of the examination hall immediately. The Invigilator concerned shall report each case of unfair means direct to the Dean immediately with full details of the incident, answer scripts, the available evidence and explanation of the concerned student, if any. The Dean, on receipt of the report, may give an opportunity to the concerned student to represent his case. Considering all the available evidence, the Dean shall take appropriate action immediately.

 **Punishment to be met out for unfair means during university examinations:** The respective Deans of the College shall be empowered to deal with all cases of unfair means by the students in the University examinations. The penalty shall be as indicated below:

- a. A student found using unfair means during an internal examination (Theory/Practical) shall be deemed to have failed in that course.
 - b. A student found using unfair means during the external theory examination shall be deemed to have failed in all the courses registered by the student in that semester. In such case, the student shall not be permitted to take the remaining examinations, if any, in that semester and shall be deemed to have attempted and failed in those examinations.
- The Dean after passing orders shall report each case falling under (a) and (b) above immediately to the University.
 - For using unfair means of a serious nature such as ignoring the repeated instructions of Invigilator or abusing or threatening or assaulting the Invigilator, warranting higher penalties than those indicated in clauses (a) and (b) above, the Dean, besides treating the students as failed in all the courses registered in that semester, may further debar the student for the succeeding semester and the act be informed to the University. If further or more severe punishment is felt necessary, the Dean shall immediately inform the University about the full details of each together with all the material evidence, if any, and recommendation, explanation or representation of the student, if any. The Vice-Chancellor after examining the case may debar the student for further period or permanently. The decision of the Vice-Chancellor shall be final.
 - The parent or the guardian of the concerned student shall be informed of any punishment awarded to the student and the reason thereof.

 **Arrear Examinations:** There shall be arrear examination for students' secured less than 50% marks separately for theory and practical in a course. The arrear examination shall be conducted for theory or practical in which the student has failed. In the case of theory arrear examination, the examination shall include only external theory for 80 marks and for practical arrear examination it shall be conducted for 40 marks. The marks obtained in the first attempt for record shall be taken for arrear practical examination. The fees shall be Rs.500/- (Rupees Five hundred only) per course. There shall be no arrear examination for internal theory examination.

 **Re-evaluation:** A student shall submit request to the Controller of Examinations for revaluation of answer paper of final external theory examination in a prescribed format through the Dean concerned not later than ten working days

after the declaration of results. The fee for re-evaluation shall be Rs.1,000/- for each course.

- ✚ **Re-registration:** A maximum of three attempts shall be permitted for each course (theory/practical) and after three unsuccessful attempts, the students shall have to re-register and repeat the course.

✚ **General Conditions**

- A minimum of 50% in theory and practical separately with an aggregate of 50% shall be essential to get a pass in a subject.
- The students who miss the internal theory examination shall be permitted to take the final external theory examination, provided they are eligible otherwise, i.e. they lose 20 marks meant for internal theory examination.
- The marks obtained under the internal theory examination shall be the final for the second and subsequent attempts.
- There shall be no arrear examination for the internal theory examination.
- The students who miss the final external theory examination shall be awarded "F" (FAIL).
- There shall be no supplementary examination for the final external theory examination.
- The students who were awarded 'F' shall take the examination in the subsequent semesters.
- No University examination shall be conducted in between during semester weeks.

✚ **Scrutiny of Grades : Graduation requirements**

The students shall satisfy minimum residential requirements as follows:

- a) Eight semesters for B.Tech. (Fisheries Engineering) including six semesters of course work, and Student READY programme.
- b) An enrolled student to earn B.Tech. (Fisheries Engineering) degree shall complete the course credits and shall earn an OGPA of 5.50 on 10.00 point scale system.

The successful candidates on completion of the graduation requirements shall be classified as under.

OGPA from 5.50 to 7.49	:	Pass in Second class
From 7.50 to 8.99	:	Pass in First class
From 9.00 and above	:	Pass with Distinction

The above requirement for "Distinction" is applicable to those candidates who complete the degree programme without recording "F" (Fail) in any course.

Students recording “F” in one or more courses and who have secured an OGPA of 7.50 and above shall be awarded only “First class” provided; they complete the degree programme within the minimum prescribed period of study.

-  **Move to next year:** In addition to the provisions made in TNFU Regulations 32.4.7, students shall not be permitted to register for VIII semester of fourth B.Tech. (Fisheries Engineering) without passing all the courses in I to VII semesters of the degree programme.
-  **Student responsibility:** All undergraduate students studying in various faculties of this University are expected to know the requirements for the award of Bachelor’s degree, the general academic requirements and assume full responsibility for meeting them. They should keep in constant touch with Coordinators / counselors and know their status / progress. In no case shall regulations be waived or exception made simply because a student pleads ignorance of it.
